Subject: Letter of Recommendation

Dear Jon and John,

I want to take this opportunity to express my appreciation for Penn Valley's professionalism and expertise in completing our \$8.5M expansion project in Morrisville PA on time and on budget. This was a complex project that included a Medical Clean Room as well as multiple other technical details. Your staff was a pleasure to work with. I would not hesitate to call upon Penn Valley for our next expansion project.

Best regards,

CARLOS CARRENO
