Dear Jon -

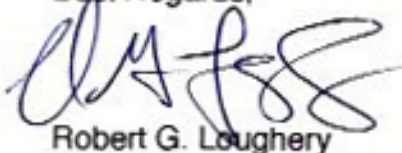

I wanted to thank you and commend you on a superior job your company did on the expansion project at our facility located in the Keystone Industrial Port Complex in Fairless Hills, PA.

Not only was the job completed on time and within budget, from the very outset of the project your team worked diligently with us and our tenant, Sika Corporation, to assure a successful outcome. Angelo and Rick performed their duties and responsibilities with professionalism and abundant care for our interests. We are grateful for their attention to detail and the success of the project.

Thank you for your great service and performance to enhance our building. A 37,000 square foot expansion was treated with the same attention to detail as any smaller or larger project you have completed in the past and we certainly felt the attention you gave us and it made a difference.

We look forward to an opportunity to work with you again in the future.

Best Regards,
