To Whom It May Concern:

Please consider this letter as my glowing endorsement of Penn Valley Constructors.

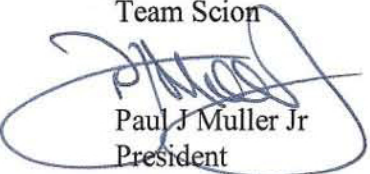

Penn Valley recently completed the construction of our New Car Showroom and has built or remodeled four automobile dealerships for me in Pennsylvania and New Jersey. I have been thoroughly impressed with their professionalism and attention to detail. All of the projects they have taken on for me have come in under budget and on time. The Penn Valley staff and their professional associates are a pleasure to deal with. At this point I would not think of undertaking a project without them.

Please feel free to contact me at Team Toyota 746 East Lincoln Highway, Langhorne, Pa 19047, call 214-741-4200 X 112 or email at PaulMuller@TeamToyota.net.

Please consider Penn Valley Constructors for your next project. You'll thank me for the recommendation.

Sincerely,

Team Toyota
